

GROUPEMENT EUROPEEN DES PRODUCTEURS DE CHAMPIGNONS PROMO

News from the European mushroom growers's group

On 21-22 May 2025, the GEPC, the European mushroom growers's group met in Warsaw, Poland. 23 delegates from 10 countries participated to the meeting, where topics such as market situation, long-term mushroom promotion, technical files, were discussed.

Paul Ras from the GEPC Promo coordination team gave a comprehensive update on the **current SUSMUSH promotion programme in the EU**, with the objective of applying for a new campaign. The 2nd day was dedicated to the **technical visits** where 3 Polish mushroom operators opened their company facilities to the group.

GEPC had the opportunity to welcome a **representative from the Market directorate of DG AGRI** for these visits. The GEPC would like to thank the Polish delegation for the perfect organisation and the warm welcome !

The next GEPC meeting will be held in January 2026 in Brussels.
